Message

Rajasthan Shikshak Prashikshan Vidhyapeeth, a non-profit making trust has been set up to promote technological and professional education of high standards. With the help of dedicated and experienced faculty members and state- of-the-art campus with modern teaching and research facilities, the institution offers innovative, career-oriented degree, post graduate and diploma programs matching the requirements of the industry and society at large.

The institute was established in 1986 and so many batches B.Ed., Shiksha Shastri & B.A.B.Ed. have already passed out successfully and another batch is on the verge of outgoing. This is the right time that the institute should embark its journey of success in the coming years. The preparation of '**strategic planning& deployment document**' is the firststep towards this direction. The enthusiastic faculty members under the leadership of Principal, HOD's brought out the best possible detailed strategies and its deployment plan. I am confident that this team will implement the strategic plan in its total spirit.

I congratulate the Principal, HODs, Faculty members, staffs and students and extend my best wishes for their future journey towards placing the institute/College to a new height.

Managing/Secretary

Preface

For an organization, strategic planning is very essential to accomplish the Vision and Mission, which it dreams of. Strategic planning is a continuous process with a specific focus on accomplishing institutional goals in this competitive world. Strategic Planning and deployment document (SPDD) is based on analysis of current obstacles and future opportunities and envisages the direction towards which the organization should move to achieve its set goals and objectives.

The first part of it addresses the vision, mission which the institute dreams along with core values, institutional long term & short term goals. These are defined and guided by the stake holders (management, leadership, HODs, faculty, staff, , students, alumni and parents) through SWOC analysis. After analyzing the internal and external environment, the institutional goals were set up in all possible growth domains through continuous thought process and discussion with HODs and faculty members. The strategies with action plans were decided to achieve institutional strategic goals.

While formulating the strategic plan and deployment document, care has been taken to involve all members to help contribute their part which is vital for the success of every organization. Effort has been taken to identify clearly the implementation processes and monitoring by identifying measurable targets in line with the desired outcomes. This will emerge to be the guiding force for SVIST to achieve its goal to become an institution of Academic Excellence and providing professional by skillful young Teachers to the society.

Monitoring of strategic plan

The implementation of strategic plan will be monitored time to time by Principal, Academic Council and other committees through periodic review. The section heads will prepare the detailed progress report and present it in the review meetings. The benchmarking of quality standards and its monitoring, evaluation of attainment will be carried out by the IQAC independently. The IQAC will report the findings to the Academic Council and GB. With thorough analysis of outcomes and based on IQAC report, the above will recommend the corrective actions, need of further processes and deployment of resources. All these reports will be forwarded for further discussions and implementation by the Board of Trustees.

Conclusion

The SPDD is an effort for paving a pathway towards accomplishment of goals SVIST dreams to achieve. Just formulating the strategic plan doesn't ensure success, but it provides a guiding framework which is a collective effort delivered by the process of participative brainstorming of stakeholders. The proper implementation of strategies through teamwork with good spirit leads to success and sustainability over a longer time through a dynamic process. It needs continuous evolution to incorporate the lessons learnt during the implementation and emphasizes the role of IQAC in ensuring the quality of implementation.
